

Shaking Off Shackles Christmas Celebration

Shaking Off Shackles is partnering with the Andrew and Walter Young Family YMCA to support the Teens at the Maya Angelou Teen Center with gifts from our community partners this Christmas season.

The program seeks to positively transform the lives and belief systems of local children through providing them with leadership and personal development skills, health awareness education, financial/economic empowerment, career readiness and service projects. The social and civic growth of these youth is intricately connected to the future and growth of our surrounding community.

Each young life impacted will one day reach and influence the lives and neighborhoods of so many others here in southwest Atlanta and beyond. Unfortunately, the population served by the organization battles the 32% poverty rate plaguing this community's children and families. Many of the children come through the doors of the YMCA every afternoon not only to find a safe place where they can still be kids, but often because they know this is a place where they can find a meal.

For most of the Teens, the festivities held at the Young Family YMCA will be the only one they receive at home or at school. Please help show the young people that they are loved and worthy of celebration during this Christmas season. We have an opportunity to make a difference in the community and in the lives of our children this Christmas season. Partner With US.
